**Verse 2:**

Dead is the body without breath  
So is faith without works  
Let your faith keep breathing, back up what you believe in  
Show that your faith's in Him  
Abraham and Isaac his son  
Were like to peas in a pod  
Abraham he loved his son  
And Isaac loved his dod  
But God told Abe to sacrifice his son  
Though the reason wasn't clear  
They left the next day, he obeyed God anyway  
Because it was God that he feared  
They went to the mount and Isaac was bound  
Abe had his knife in the air  
But an angel came and told him, "Don't lay your hand upon him"  
"Look, sacrifice that deer!"

**Bridge:**

Am F C G  
Woah! Keep the faith!
